SCRAMBLED

ANIMATION KIDS

Synopsis:

Scrambled is an Egg-citing 3D CGI comedy for 6-9 year olds that explores the adventures of Eggy and friends in a world inside a refrigerator, where living breakfast creatures have their own awesome universe! The Squad of misfits try to lead a normal pre-teen life, but alas! They inevitably get entangled in schemes perpetuated by the crazy tyrant from the deep freeze- King Crackor, and must find a way to save Refrigeratora and restore normalcy!

ODO

Synopsis:

A brand new comedy series for preschoolers, ODO is a little owl who doesn't think small. Odo doesn't mind being little, he's very comfortable being himself. What Odo does mind, however, is the way he's treated for being so little. When Odo is told that he's too small, or a task is only for bigger birds, he has the overwhelming urge to prove that he is just as capable as any bigger bird. The trouble is, Odo's ambitions far outweigh his ability so chaos is never ever very far away.

OTTO'S TALL TALES

ANIMATION KIDS

Synopsis:

OttO's Tall Tales is a celebration of the unique and wonderful imagination of a child.

OttO's real world home transforms into a fantastic forest landscape where he lives big adventures with his imaginary friends: Francis (a teddy bear), Rose (a perfume bottle), Elly (a bathroom radio), Edward (a toilet roll holder), Maria and Alfred (bookends) and the Gnomes (colour felt pens)

Everyday situations - normal through his parent's eyes - trigger Otto's imagination. It helps him understand situations in real life and it makes growing up an adventure

- **Format** : 52x11'
- **Broadcaster(s)** : VRT Ketnet
- **Production completion date** : August 2023
- **Production budget** : 7.500.000 €
- **Finance still required** : 4.600.000 €

POP PAPER CITY

Synopsis:

Pop Paper City is a vibrant 3D preschool craft series with adventure. The series follows a group of paper characters as they find new ways to have fun together by creating new parts of their stunning paper world. Pop Paper City encourages doing as well as viewing, teaching children to craft along with the characters; a live-action human hand interacts with the 3D environment, assisting the characters with the crafting process. Through its excitement-filled adventures, Pop Paper City will inspire children everywhere to have fun with crafts.

HUGO & HOLGER

Synopsis:

The boy Hugo has a dog.
The dog is named Holger! It has long ears and a pretty long wet nose.
Hugo is not like most boys and Holger is certainly not like most puppies.
A perfect fit that shows how friendship can transcend differences.
Together they meet the challenges of every new day, with enthusiasm and excited expectations.
All told in animated poetic comedy, in a style rarely seen in CG.

MEDDLERS

ANIMATION KIDS

Synopsis:

Meddlers is a fantastical comedy series that follows the ups, downs and sometimes sideways adventures of three diminutive creatures, who meddle in the lives of the colorful tenants of a bustling apartment building that they've been assigned to. Meddlers naturally like to taste, take, tweak, explore and experiment with anything new, puzzling, shiny or potentially dangerous. Luckily for Meddlers, they're also completely indestructible.

FLOKI

Synopsis:

Floki is the story of a puppy who is embarking on a journey - to explore his backyard!

The show is presented in 5-minute episodes with each episode seeing Floki learning something new about growing up as he explores the surroundings of his backyard. Through his adventures, Floki encounters some new friends, troublemakers, and a lot of challenges.

The stories - developed by Hollywood screenwriter Michael Maurer (Barney & Friends, Curious George) - focus on core learning values such as sharing, kindness and honesty.

A-SQUAD

Synopsis:

In a peaceful and happy town, Sam runs a magical toy store. The toys are presented on the display stand, but they also have mysterious identities- members of A-Squad. When the residents in the town run into troubles or dangers, they always seek help from them. If the alarm sounded, Sam would activate the rescue chip immediately, which empower them with rescue power and transform into brave A-Squad.

DEEP IN THE BOWL

ANIMATION FAMILY

Synopsis:

Inspired by the comic book of the same name by Nicolas Poupon, «Le Fond du Bocal (Deep in the Bowl)» depicts several aquariums of fish mirroring children's life.

Spending your life in a bowl, can create funny situations.

Through these fish, it really is human nature gulped up with humor. The questions asked by the fish, their dreams, their conflicts, their joy and their sadness, are our children's (and sometimes, somehow, ours).

- **Format** : 52x5'
