Screenings for buyers

Discover content

Explore the Screening Library to discover programmes and projects available at MIPJUNIOR. Use the filters to quickly find the content that matches your interests.

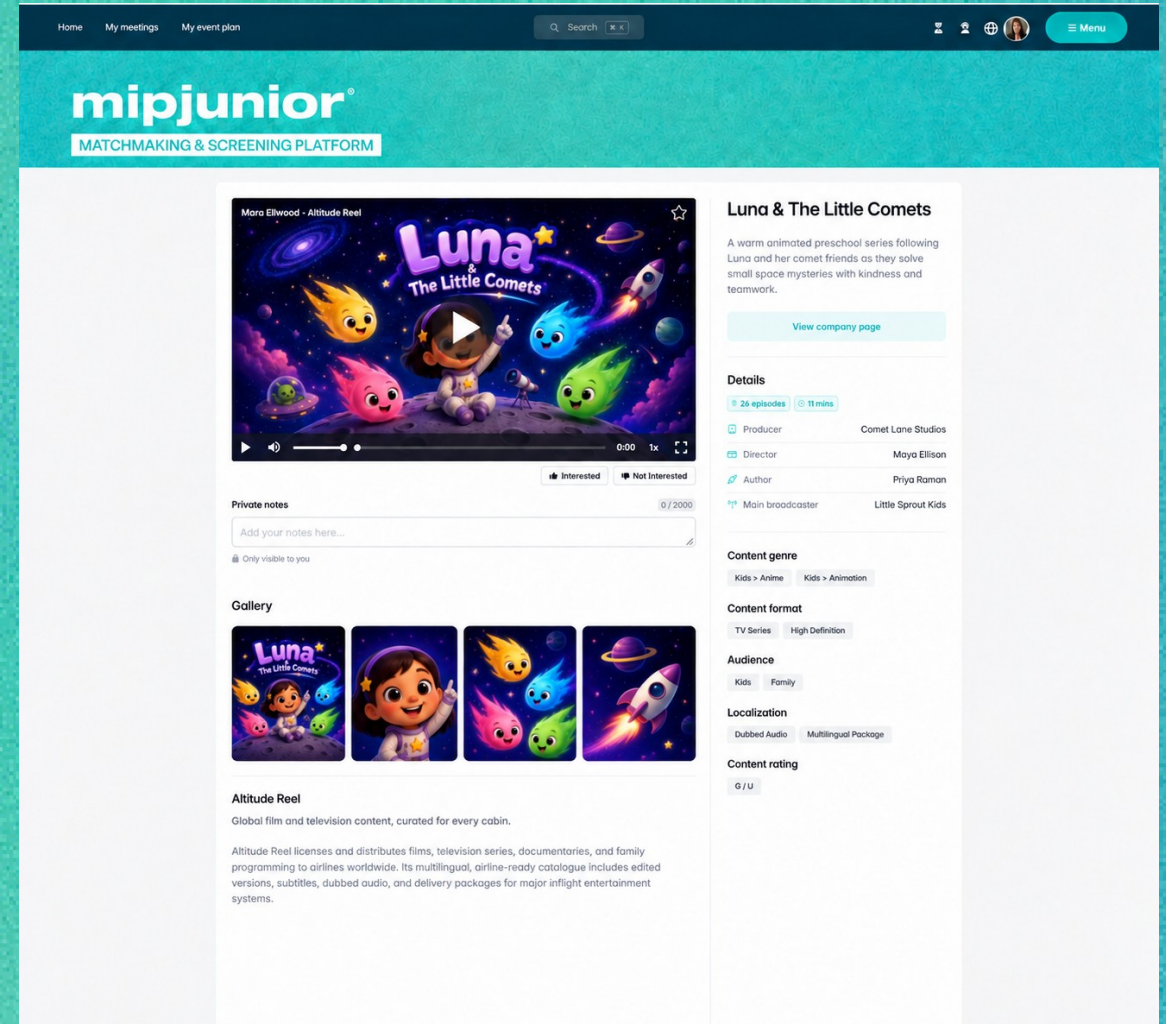

Screenings for buyers

Watch a screening

Open a title to view the details and watch the available video.

As you screen the content, you can add your own private notes, favourite the content you want to follow up on and indicate to the content owner if your interested or not interested.

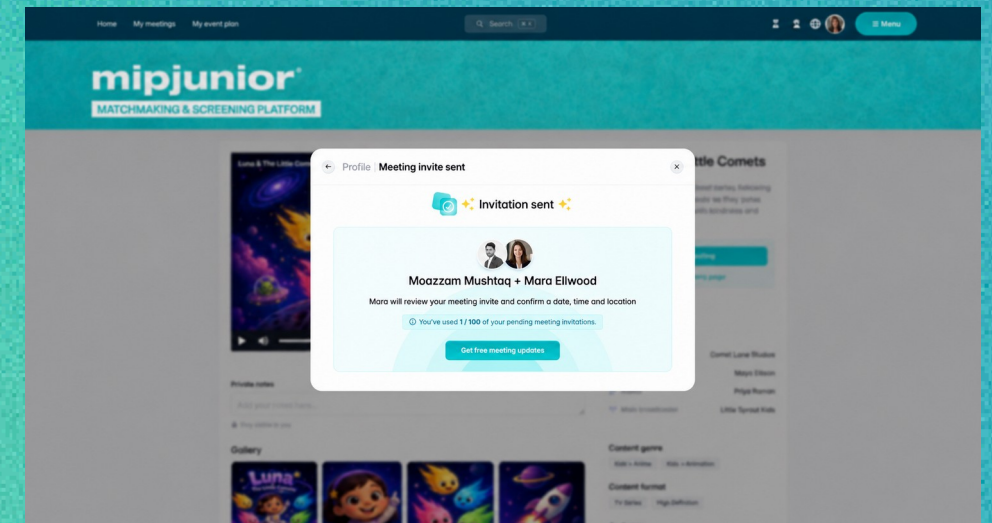

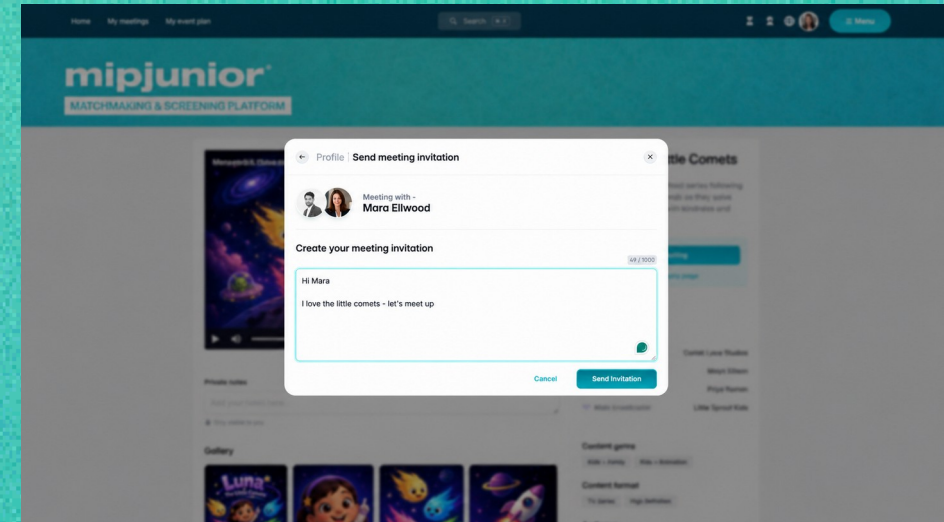

Screenings for buyers

Follow up

Found something you're interested in?

You can book a meeting directly from the screening page to connect at MIPJUNIOR and discuss the content further.
